

**GOVERNMENT OF ANDHRA PRADESH
ABSTRACT**

I&CAD- Release of water from Sriramsagar Project – Orders- Issued .

IRRIGATION & CAD (PW:Maj.Irr.VIII) DEPARTMENT

G.O.Rt.No. 151

Dated. 06. 03.2010

From the Administrator-cum-Chief Engineer, Sriramsagar Project, Lr. No.ACE/SRSP
/DE.4/AE8/8514/ SRSP-LMD, dated. 23.02.2010.

ORDER:

In the reference read above, the Administrator-cum-Chief Engineer, Sriramsagar Project has requested to accord permission to release of (6) TMC water from Sriramsagar Project in one go (say 7000-8000 c/s) for drinking water needs of towns & villages & for feeding the tanks as per plan with adequate (say 15) Task force teams to be constituted for regulating the water flow consisting of Farmers Organizations (Water Users Association /Distributory Committees/ Project Committees), Irrigation, Revenue, and police officials with a vehicle, for mobility on canals round the clock under the District Collector, and Joint Collectors of Karimnagar and Warangal as in charge of this task.

2. Government after careful examination of the matter hereby accord permission to release (6) TMC of water from Sriramsagar Project in one go (say 7000-8000 c/s) and (say 15) Task force teams be constituted for regulating the water flow consisting of Farmers Organizations (Water Users Association / Distributory Committees/ Project Committees) Irrigation, Revenue, and police officials with a vehicle, for mobility on canals round the clock and vigil on canals under the District Collector and Joint Collector, Karimnagar and Warangal as in charge of this task.

3. The District Collectors/ Joint Collectors of Karimnagar and Warangal are informed that they should hold meetings with Farmers Organizations, Officers of Irrigation, Revenue and Police officials and constitute Task force Teams, as proposed by Administrator-cum- Chief Engineer, Sriramsagar Project-I and prepare Job-chart for each Team and arrange round the clock mobility and vigil on canals. During this meeting, they should decide the dates of release of water from Sriramsagar Project and Lower Manair Dam, in the aforesaid manner. There would be no water left in Sriramsagar Project / Lower Manair Dam after this release. Therefore, the Collector should take extreme precaution in regulation & use of this water

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
